

Champlain Water District Wins “New England’s Best” tap water

On Tuesday, September 19th, 2023 Champlain Water District (CWD) won the New England Water Works Association (NEWWA) taste test for “New England’s Best” tap water. CWD won “New England’s Best” tap water and the trophy for the second year in a row among the New England utilities at NEWWA’s fall conference in Burlington, VT. CWD is the first utility to win the award back-to-back after being awarded first place at last year’s taste test in Newport, RI. The award reflects CWD’s dedication to providing high quality drinking water.
